

Maldives Airports Company Limited Press Release

New Road Opens at Velana International Airport

Velana International Airport, Maldives 20th June 2018 – A new road opens for public at Velana International Airport (VIA).

This new road south of present runway will connect transfers from East to West at VIA. The 1200 meters of road is the permanent landside road of VIA for airport transfers. However, this road will also be used for public transport temporarily until the high way to Hulhumale via VIA is complete this year.

About Maldives Airports Company Ltd

Maldives Airports Company Limited (MACL) is a 100% government owned limited liability company incorporated under the Companies Act of the Rep of Maldives. MACL is governed by a Board of Directors appointed by the Privatisation & Corporatisation Board of the Maldives. The Corporate Office of MACL is on the island of Hulhule', Republic of Maldives

Maldives Airports Company is the operator of Velana International Airport and has been massively involved in destination marketing and bringing in new airlines to the Maldives to boost up the tourism industry. MACL has embarked on one of the biggest projects in the history of Maldives in developing the future Velana International Airport such as the development of a brand new international passenger terminal, a new code F runway, a new cargo terminal complex and a new fuel farm along with hydrant system and major infrastructure developments at Velana international Airport
